The trip advertisement below from A&M Transit's Archives of one of the trips in 1926, which was 84 years ago. What is true then still echoes today, our family has been there with you all making memories along the way

Here's proof that motorcoach tours  
have always been popular!

*This group of Cantonians went on a Bixler Tour to Washington, D.C. in 1926—forty-five years ago!*

*The seven day trip was made in White Motor Company coaches with Bender bodies, of the parlor car variety. Each person had an individual chair upholstered in finest mohair and trimmed in leather. The tour that year included 6 nights hotel, all the sight-seeing, all the meals, tips and entertainment and cost the fabulous price of \$87.50 per person!*

*In the early 1950's the Canton AAA started its own motorcoach tours and since that time has carried many thousands of travelers to all corners of the United States and Canada.*

*In these days of gasoline shortages and expensive cars, this mode of travel has proved to be a boon to the person with a touch of the wanderlust and a lot of curiosity!*

**Do you recognize yourself or a friend?**
